#### MESSAGE FROM THE PRESIDENT

**D**ear Congregant,

Rosh Hashanah is fast approaching and I'm happy to bring you Shana Tova and Good Wishes from the Board of Directors. May 5783 be a good year for all. May we have Peace again through the world, particularly in Ukraine.

It is the 23rd year that I am writing these bulletins sent to everyone in the community for each of our Holy Days. Twenty-three years of setting up the texts, the yahrzeit tables, the notices, the schedules for the religious services, the pictures ...

As I don't get much reaction from anyone (except when I make a mistake – LOL), sometimes I wonder to which extent this bulletin is really read.

In fact I would not mind if you, dear reader, let me know – simply, next time you see me, say “**yes, I am reading your stuff**” – or, if you prefer, simply write that sentence in an email to [weilfr@gmail.com](mailto:weilfr@gmail.com). That would be one way for me to know if I should continue ...

Last Shabbat, in Shul, I was reflecting on the state of our community. True, we are small in number, but we have potential. We can be proud that we continue to have minyanim every single week. For that we have to thank a nucleus of good people – all those who make a point to come regularly – especially those good souls who accept to prepare the reading of the Torah.

I know that, for some of you, religion is not the most important aspect of Jewish life, that the cultural aspect is more important.

I do very much hope that this aspect can be developed more extensively in the future. As you all know, a large number of Israeli families have immigrated in the area. They have many children and I do hope that with the help of everyone, some-

thing can be developed in term of a Cultural Center.

Please, all of you who are reading this and are willing to help, **contact me – 506 899-1146.**

Do not be shy, we need your input, whether you have been in the region for a long time or you are a new comer. Do not hesitate to become involved! Please let us know your ideas for various activities that should be organized. We want to bring life in the building. Sports? Conferences? Discussions? Activities for children? Chess tournaments? Hebrew Classes? Yiddish classes? Ping pong tournaments? Yoga classes? Cooking classes?

The following article is the report I wrote on your behalf for Shalom Magazine. It is a good summary of the life in the community in the last few months. I only have to add to it the following words about the passing of **Sharon Rubin, z"l.**

Sharon will always be remembered as one of the kindest persons around. Sharon

was a great cook, she was the most generous lady I know. She will be missed enormously. Our most sincere condolences to Gabrielle and Mitchell and the whole Rubin family.

Not long-ago, **Betty Hans** entered her 96<sup>th</sup> year. Mazal Tov to both you and **Alan** for your 72th anniversary.

Rabbi Pinchas has been away this summer, working towards his advanced level 2 Smicha in Yeshiva in Brooklyn, still teaching via ZOOM. He will be back around September 21<sup>st</sup>.

I am very happy to mention that a few families have joined us and are now members of the synagogue. I do hope that more will join in the future.

You will find in this bulletin the schedule of religious services for the High Holidays. Both Rabbis Yagod will be officiating. We didn't know exactly how to manage the presence of long hours in the synagogue in time of Covid19. It was felt that it would be best to take the same precautions as last year and reduce the presence in the synagogue to the minimum allowed by Halacha. Hence the schedule you will find in these pages ...

From my family, all good wishes to you and your family for a healthy, happy and prosperous new year.

***L'shanah tovah u'metuka!***

## Report to Shalom Magazine (this report was written in August 2022)

Since our last article in this Magazine we celebrated Lag Ba'Omer and Sukkot.

First of all, a very hearty Mazal-tov to **Goldie Johnston** who has recently entered her 90<sup>th</sup> year. Goldie has long been President of Sisterhood of Tiferes Israel Congregation and has spent many many hours doing all kinds of things for our Shul. Thank you very much Goldie. Our best wishes and may you live till 120 !!

Same hearty wishes and Mazal-tov for **Harry (Tut) Gorber** who has entered his 91st year. May you also live till 120 !!

As usual, the bulletins from the congregation can be seen and downloaded from [www.tiferesisrael.com](http://www.tiferesisrael.com). Do not hesitate to go on this website to see more details.

The synagogue has been able to maintain a minyan every Shabbat Morning (with one exception).

The community is happy to welcome new families. Three new families can be mentioned. **Darcie** and **Leigh Lampert** with their three children, the **Shmuely** family with

their five children (two sets of twins!) and **Rhoda** and **Steven Fransblow**.

Welcome to all three families.

We still hope that some of the other Israeli families who recently came to the area will join us. Quite a number of them do participate in our social events.

On Shabbat Balak (July 16) **Ethan Tolmasov**, son of Arik and Kati become Bar-Mitzvah. A special kiddush, with beautiful food prepared by Sisterhood, followed the religious services.

On Shabbat Nachamu (August 13) **Noam Shmuely** is becoming Bar-Mitzvah (*actually the date was changed to August 27*).

At Lag Ba'Omer, a large group got together for a bonfire on the property of **Betty Rubin-Druckman**. It was a beautiful affair with lots of joy. It was nice to hear the noise made by over 70 participants, among them, many children. See photo ... Thank you, **Emmanuel Maicas**, for setting up the bonfire!

On the second day of Shavuot (June 6), a large crowd gathered in the Shul. **Aviya Kohn** had prepared a beautiful event with activities

for children and scrumptious food – see the pictures!

JIAS asked us to look after a Ukrainian Mother who has escaped the war and came with a 4-month-old baby as well as a 2-years old daughter. The community has been very generous. Some money was raised and people have come forwards to help with furniture and baby items. Thank you to the **Maicas** family for lodging them. Thank you to all those who contributed to the items donated.

**Mona Vender** organised a beautiful reception for the unveiling of the monument for **Joe Vender**, z"l. Sisterhood prepared the reception that took place in the lobby of the Shul.

**Eitan Izichkis, Ury El and Arik Talmasov** have been very generous with their time to prepare the weekly Torah readings. Toda raba to all three.

The community can be very proud of its children. Here is a brief review of their accomplishments.

- **Bryson R.-J.** and **Eli D.** are in Israel with Canadian Young Judea (Biluim).
- **Sophia, Benjamín** and **Bella M.** as well as **Samuel H, Ketorah R.-J, Chloe R.,** two **Waks** kids and **Noam & Livi S.** all went to Camp Kadimah this summer.
- Quite a few young people graduated: **Julie Arsenault**

from U de Moncton (law), **Joshua Makarov** from UNB (economics), **Liel Izichkis** from U de Moncton (premed.), **Shelly Langleben** from College (travel & tourism), **Joshua Weinberg-Filmore** and **Zev Davidson** from High School.

- **Samuel Haller** was selected by his teachers as valedictorian of the grade 8 graduating class. He is MVP of his basketball team.
- His brother, **Joshua,** attended a basketball camp in NYC and was chosen (among 170 kids) as the recipient of the coaches' award.

Mazal Tov to all! You kids are great!

Wishing all a very healthy and prosperous year 5783. **שנה טובה ומבורכת**
