### NOTICE

In order to have some flexibility we would like to have a slight change in our constitution.

In article 6, section 1 (election to the board), we would like to add the words "*or otherwise decided by the nominating committee*" after "*four directors*".

Reason: it would be better if the number four would be replaced by something more flexible.

On one hand, it could come to a point where we can only find three people to serve as directors and, on the other hand, if five people would like to become directors it might be better to accept all of them rather than having an election to eliminate one of them and risking to offend someone.

A vote on this motion of change will be taken at the AGA next January. This is just a notice for a change.

A thought to the memory of six great past members.

***Frances, Amos, Sulamit Joe, Edie and Irving.***

**They will always be remembered.  
May they rest in peace!**
