A MESSAGE FROM THE EDITOR

September 2018

It has been 19 years since we have been doing three (sometimes four) bulletins per year for the community under this form. Before that, in 1999, Andrew and Margie Gann did the bulletins for one year.

Please read Nancy's report at the end of this bulletin. You will see, among other news, that a new family is soon coming to join us. They are from Brazil. Gabriel is a scientist who is going to do research for the Atlantic Cancer Research Institute.

A highlight of the year was the beautiful concert given by the Goldenberg duo of professional musicians last April. Susie, violonist, William, pianist, were able to delight the audience with their virtuoso in Classical, Jazz and Klezmer music. The concert was given in memory of our late Vice-president, Myer Rabin, z"l.

A thought for the four members who have left us recently. Kay Cohen, Arkie Coleman, David Rubin and Sheldon Hershel Rubin are all a big loss to the community.

On another subject, I want, as president, to express the thanks of the community to all who go beyond their duty to keep the community alive. Many among you have been generous with their donations.

The annual dues have remained quite steady for a long time. Luckily, a few of you have voluntarily given more than what was asked. Thank you.

If you know of some former members who would accept to make donation to the synagogue, please contact me.

The community is thankful for all the donations. It helps maintaining Jewish life in the region.

Toda raba **שנה טובה to all.**

MONCTON-SHALOM REPORT

On the first day of Shavuot Rabbi and Rebbetzin Yagod hosted an Ice Cream party for all of the students of Cheder Tiferes Israel.

Several children headed downstairs to the social hall after services to feast on as much ice cream as they could eat.

A lovely Kiddush took place on June 16 to honour all of the children in our community who had recently had a bar or bat mitzvah. Sisterhood President Betty Druckman presented each child with a beautiful siddur. She spoke about how wonderful it is to have so many simchas taking place at the shul, and that seeing so many young people coming to services has given her confidence in the continuity of the community.

The following Shabbat we celebrated the bar mitzvah of Vincent (Shmuel) Maicas. Everyone in attendance was proud of how capably and confidently he chanted his Torah and Haftarah portions. Mazel tov to his parents Dr. Emmanuel and Myriam Maicas and family.

We look forward to two more upcoming simchas, the bat mitzvah of Sophia Makarov on September 1, and the bar mitzvah of Eli Davidson on September 15. With so many b'nai mitzvah in the community teacher Rebbetzin Yagod has certainly been kept very busy, but her dedication and hard work is evident in what these students have learned, and the sense of accomplishment they have achieved.

Once again were saddened by the deaths of two esteemed members of our community. On August 11, Dr. David Rubin passed away peacefully at the

Moncton Hospital following a lengthy illness. David was known for his love of animals and dedicated himself to protecting all living things. He was open minded, generous and knew the highest level of charity is giving freely and anonymously. Our heartfelt condolences to his partner Myrna Lamouroux, brother-in-law and sister-in-law, Art and Lynda Beal, and his nieces and nephews.

Just two days later on August 13 we were shocked to learn that Dr. Sheldon Hershel Rubin had passed away suddenly. Sheldon was a dedicated physician who loved his patients, often putting their well-being before his own. He was New Brunswick's first oncologist, set up the provinces first hematology clinic and its first HIV clinic treatment program. During his retirement celebration in April 2016, it was announced that the newly completed oncology clinic in Moncton would be named the Dr. Sheldon H. Rubin Oncology Clinic. Following news of his death tributes have poured in from former patients, colleagues and friends. Our sincere condolences to his wife Sharon, children Gabrielle and Mitchell, grandchildren Ethan and Madison, sisters Betty Druckman, Rosalyn Attis and their families.

Best wishes to all for a happy, healthy and peaceful year. Shana Tova!

From Michael Ruben, Montreal

It was about 3,314 years ago
 when the first Shofar was heard on Mount Sinai.
 On Rosh Hashana we proclaim G-d's majesty over the world.
 Through the Shofar we get a spiritual check-up and wake-up call.
 We search for 'peace in our hearts'.

ROSH HASHANAH IS THE FIXING OF THE WORLD
 YOM KIPPUR IS THE FIXING OF OUR SOUL.
 SUKKOS IS THE 3RD TEMPLE WHERE THE WORLD AND OUR SOUL COME TOGETHER.

Rosh Hashanah is not just the beginning of a new year; it is the beginning of everything. Our whole life becomes brand new. New attitude, new way of being. The further we are away from the 'old' the closer we are to the 'new' ... the closer to the Master of the World. The further away we are from HaShem the less we care for the world. The less we care the more selfish we become, the more self-centred. Rosh Hashanah is about caring and sharing.

Good bye Mrs Allerston

**You are an amazing person.
You have been at the helm of Tiferes Israel Pre-School for 22
years.**

**So gentle but firm with the kids.
The greatest children educator that can be.
Toda Raba, Merci, Thank you Cheryl.
We will remember you always.**

Dear Congregation Tiferes Israel Synagogue

Thank you so much for your kind words expressed on the leaf displayed in the foyer. Including me on your 'Tree of Life' has touched me greatly.

I had the great honour and unique opportunity to serve as an educator and director of the preschool for 22 years. I was so blessed in getting to know the Jewish community, learning more of  your faith and experiencing God at work.

It is sad to see the closure of the preschool but the staff, Board, parents and children over the 38 years leave with fond memories and sense of accomplishment.

With heartfelt thank you, Cheryl Allerston
